Eat up Trustees' Report For Period 01 August 2024 - 31 July 2025

Introduction

Eat up is a small Scottish Charity (SC048548). Founded in 2017, Eat up Charity has made tremendous impact thanks to the help of members and volunteers in the Renfrewshire, Glasgow and North Lanarkshire community. The core of our work lies in the continuous passion and dedication we bring to the range of projects we take part in. Charity supports the community through food, furniture, social space, music and recreational activities.

Aims/Objectives

The prevention or relief of poverty, the advancement of citizenship or community development, the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended, the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage

Activities

The charity has spent the year developing its infrastructure to enhance the service it provided. It has done that through campaigns and fundraising. It carries out activities or services itself. The charity has expanded to Aberdeen, with its research hub and kitchen for those in need. The charity has advanced with the Euro central building holding events such as helping socialization and strengthening the community. The coffee mornings and the new community hub in paisley have all helped bring the community together. The food service has did well as it's met the needs of the community relieving poverty. The charity has been involved in arts and exhibition space in Ayr, Tollcross, Galashiels, Stranraer, and Renfrewshire. Helping the Edinburgh fringe artists with space to rehearse. The charity also expanded its helping people with free office space to help local start-ups with a chance to move in to the business world and enhance their life chances. The charity has enhanced its reach through plugged in communities grants of electric vehicles which has helped get to Aberdeen and other long distance places. The charity has also helped sent items to Africa to help people in absolute poverty who have nothing. The charity managed to use buildings in Shawlands to help store and distribute the items to Africa. The impact has been significant. The Africa Plus programme is looking to expand and send more in 2026. The research in to poverty has begun to help the charity gain knowledge and process on how to work with more effectively and using the aims and objectives of the charity, make a difference and impact.

Statement of Responsibilities of Members

The committee members are responsible for the preparation of the accounts for each financial year, which gives a true and fair review of the state of affairs at the end of the year and of its results for that period. In preparing those accounts, the members are required to;

- Select suitable accounting policies and then apply them consistently.
- Make judgements and estimates that are reasonable and prudent
- State whether applicable accounting standards have been followed
- Prepare the accounts on the going concern basis unless it is inappropriate to assume that the scheme will continue

The committee members are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the project and which will enable them to comply with accounting procedures of The Law Reform (Miscellaneous Provisions) (Scotland) Act 1990 and The Charities Accounts (Scotland) regulations 1992. As a Scottish charity, they must also comply with the applicable terms and provisions of the Charities & Trustee Investment (Scotland) Regulations 2006. They are responsible for safeguarding the assets of the organisation and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

We shall continue to work to deliver the successful assistance and help required by our service users to the consistently high standard we have been renowned for.

We would also like to take this opportunity to thank our volunteers and supporters from the whole community for their hard work throughout the year.

Signed on behalf of Eat Up

Trustee/Chair: Tommy Reid
